Term 3 - Week 4

Friday, 8th August, 2014

Principals Message

The DEC school planning cycle has begun for 2015-17 and we are encouraging our school community to give us feedback via an online survey. The survey link is available on the Newcastle School website. It is very easy to use and takes approximately 5-10 minutes to complete. Feedback will be taken up until the end of this term. Thanks in advance.

This week the Newcastle School executives got together to begin generating ideas for the new school plan. It is always a pleasure to put such a talented group of people together. Well done ladies!

Regards
Belinda Ryan
Principal

Friends News

Golf Day at Merewether Golf Club

A note went home at the end of last term asking families if they had any business contacts that would be interested in sponsoring our Charity Golf Day at Merewether Golf Club on Friday 7th November 2014. Could you return the note as soon as possible to school if you are able to support in any way please. Thank you again for your ongoing support!

Bunnings BBQ

Our next BBQ is set for Belmont on Saturday 6th September from 8am.

We are very grateful for your ongoing support!

Term Fees

As we are now in Term 3 we would like to remind families that the voluntary school fees are due. They are \$25 a term or \$100 for the year. These go towards purchasing personal hygiene products as well as art and craft supplies for the children.

Education Week

Some AASC Dance and Multi-fitness Sport activities

Planet Ark National Tree Day

Class 3 made unique wooden pencil holders from old tree branches as one of their Tree Day activities and planted seeds.

Class 1 students planted seeds to grow new plants.

Class 5 learned about why trees are important and produced great art works. They also planted a variety vegetable and Sunflower seeds.

Class 6 planted seeds, and harvested vegetables grown as part of Agriculture lessons and made wooden pencil holders.

Class 9 completing Tree Day inspired artworks.
