

NJS Athletics Carnival 2014

Principal's Message

Dear Parents and Carers,

What a busy two weeks it has been! Thank you to the families that attended the athletics carnival and/or the education week special assembly. We appreciate everyone getting into the spirit of the day and sending their children in colours / costumes for both events. We enjoy showing off our students' talents and achievements. The winners of the march past this year were the Kangaroos and they will be given their shield later in the term. A BIG thank you to our helpers from Hillsborough PS and Belmont Christian College for their help on the day!

Thank you to those who have returned the surveys that were sent out last week. We appreciate the feedback and will use it towards planning for our school for the next three years. There is also an additional survey that can be accessed via our school website.

On Monday we sent home information regarding a trivia night that we will be organising to raise funds for the upgrade of our school playgrounds and classroom resources. We encourage you and your families/work colleagues/friends to get behind our cause by booking a table for the night. Please get in quick as there are limited tables! We hope to get our local community involved by supporting this event. If you, or if you have any contacts that may be willing to donate money or prizes for the event please contact me at the school. It will be a great night with music, games and prizes.

Lastly, we would like to wish our 'Glendon Gerkins' all the best for the City 2 Surf next weekend! We are very proud of our amazing staff that are participating in the event.

FUN STUFF!

Wacky Sacks are great sensory toys without a lot of mess!

Directions:

1. Roll out your play dough into a long, thin line. (I use one tub of dough per balloon)
2. Stretch your balloon as wide as you can and stuff the play dough inside. (Adults can do this themselves, but kids will need help with this part.)
3. Press the filled balloon to make it flat and get as much air out as possible. Tie it off with a knot.
4. Add a face using your sharpie.
..... and that's it!!!
